Thank you for your consideration in being a missional partner with me on the World Race!

The World Race is an **11 month mission trip to 11 different countries**, partnering with local ministries to make disciples and serve the least of these. This is a unique and challenging adventure for young adults to abandon their personal normal and take part in the movement of God around the world.

The World Race is a program of **Adventures in Missions**, a nonprofit that exists to mobilize a generation of radical Christ followers, discipling them and training them to establish the Kingdom of God.

We are an interdenominational mission organized with one purpose: deeply connecting to Jesus and His movement.

Since 1989, Adventures in Missions has sent more than 115,000 missionaries throughout the world. Through strategic partnerships with local ministries, long-term presence on the field, and short-term trips, we are committed to seeing lives transformed in the name of Jesus.

I will be serving in:

What do World Racers do?

For the last 11 years, the World Race has been sending a generation into the darkest parts of the world. We take the love of Jesus and share it with those who need it most.

This includes:

- + 3 billion unreached people
- + 18 million orphans
- + 4.5 million sex slaves
- + 9 million in prisons
- + 795 million undernourished people

We send teams to partner with local ministries and to serve in any capacity that area needs. We send teams to combat sex slavery in the red-light district in the Philippines. We care for special needs orphans in India. We trek to unreached Nepali villages to pray for healing over the sick. We visit prisons in Africa to share the hope of Christ. We feed South Sudanese refugees who have had to flee their war-torn country.

We do this by partnering with more than 1,000 ministry partners in 79 countries.

I invite you to make a difference by giving so my team and I can go to the darkest corners of the world to bring light.

Your gift joins with thousands of others to bring real, lasting hope to those who need it most.
