Ms. Krista K. Postai
Community Health Center of Southeast Kansas, Inc.
3011 North Michigan Street
Pittsburg, KS 66762

Dear Ms. Postai,

Greetings from the White House! On behalf of the President and the First Lady, it is my pleasure to notify you that Community Health Center of Southeast Kansas has been selected as a recipient of the 2021 White House Commemorative Easter Eggs.

As you may know, traditionally the wooden Easter Eggs are distributed to children at the annual White House Easter Egg Roll on the South Lawn. Due to COVID-19, this year's Easter Egg Roll has unfortunately been canceled. Nevertheless, in the spirit of the Easter season, the President and First Lady still want to share Easter cheer with Americans across the nation. We hope your site will assist their mission and share these Easter Eggs with frontline workers, volunteers, and members of your staff. We also encourage you to give any additional eggs to community members who get vaccinated at Community Health Center of Southeast Kansas to share with their children or children in their lives.

A shipment of two boxes, each containing 400 commemorative Easter Eggs, should arrive at your site in the next few days.

Your organization's efforts are a testament to the hard work that needs to occur in order for our country to reopen safely. The health and wellbeing of Americans remain an utmost priority to the President and First Lady, and your efforts and dedication are truly appreciated.

On behalf of the President and First Lady, we wish you and your family a safe and Happy Easter!

With gratitude,

Carlos E. Elizondo
Deputy Assistant to the President & Social Secretary
