Date to County Clerk: 6/10/22

Hello,

SEK Multi-County Health Department of Bourbon County will be hosting a Community Baby Shower on June 23, 2022, to take place at the Buck Run Community Center. We are preparing goodie bags to be given away to all who qualify and would like to provide you with an opportunity to contribute to this worthy event.

As one of our local agencies/businesses, we are looking for donations of diaper bags to give away. We have purchased many of them already but would like to give as many and we can. Of course, monetary donations are also very welcome and much appreciated.

As you can see, the event date is quickly approaching. If you would like to donate, please do so within the next couple of weeks. Donations can be dropped off at the Health Department, 524 S. Lowman St., or feel free to call one of the numbers listed below to make other arrangements.

Thank you for your consideration.

Respectfully,

Holly Fritter
