

# Care to Share

## The Sharing Bucket

### Supporting Cancer Fighters and their Caregivers

**Our Mission:** *Care to Share provides friendship and support through emotional and financial assistance for cancer fighters and their caregivers because we...*

## Care to Share

#### **Who is Care to Share?**

Established in 2007 and raising funds since 2009, Care to Share is a 501c3 organization that has received over \$1.4 million in grassroots giving from communities in Bourbon County, Crawford County, Linn County, and beyond.

With a 100% Volunteer staff, that means \$1.4 million has gone back into these communities to help our friends and families weather their cancer journeys as gracefully as possible.

In 2022 alone, Care to Share provided \$97,137.89 in gasoline needs and other personal concerns and for total return to our communities, add to that thousands of hours providing sunshine visits, rides, meals, chores, and even rent and utility payments.

Care to Share tailors our support to each individual's cancer journey. Tell us how we can help you or a loved one on your cancer journey.

#### **What is the Sharing Bucket?**

The Sharing bucket is at the core of our mission. You will see Sharing Buckets around the festival and around Fort Scott and other towns in our Southeast Kansas (SEK) Support area. Through the years, one drop in the bucket at a time, our communities have given to their friends and families and neighbors.

Every part of the **Sharing Bucket** has meaning:

**Yellow** is Sunshine we try to bring to a cancer fighter's journey

**Green** is the money we raise

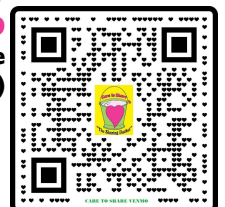

**Pink** is the love that we give our cancer fighters

The Pink heart teardrop is the overflowing love we receive from our communities

**DONATE NOW**  
on **VENMO**  
(need app on phone  
and Venmo account)

**We Care to Share.**

*Matthew 17:20 If you have faith as small as a mustard seed, nothing shall be impossible for you.*
