COMMENTS FROM THE CHAIR: None

COMMENTS FROM THE PUBLIC: None

MARTIN LUTHER KING JR. CELEBRATION UPDATE: Kirk Sharp, Director of the Gordon Parks Museum, highlighted the events of the Martin Luther King, Jr. Celebration as well as the Gordon Parks Museum. Students read tributes to Martin Luther King, Jr. at the recent celebration. In addition to the Lunch and Learn, a Day of Service was held to take donations for the Beacon. The Museum is gearing up for Black History Month. A Lunch and Learn will be held on February 12. Tribute panels will be displayed in the Ellis Fine Arts Center Lobby throughout February to showcase lesser-known members of history. KSN’s Living Well program will highlight the Gordon Parks Museum in February, as well. First graders from Winfield Scott recently visited the Museum, and Eugene Ware fifth graders are planning an upcoming visit. Kirk will be presenting to PSU’s Black Student Union in February. Other upcoming events include Gordon Parks Fashion Bootcamp, Gordon Parks Museum Fundraiser event, and Fort Scott Now Stories Documentary and Photos. The museum is going to start expanding the Langston Hughes and Gordon Parks traveling collection with support of Kansas Tourism. The history of the Waymen Chapel AME Church Park Project was shared. The annual Gordon Parks Celebration will be on October 2 - 4, 2025.

CONSENT AGENDA:

A motion was made by Fewins, seconded by Bartelsmeyer, and carried by unanimous vote to approve the consent agenda.

DISCUSSION ITEMS:

- A. **TRUSTEE EMERITUS:** Ronda shared the Trustee Emeritus possibility as shared by Robert Nelson. The board agreed that if it starts there needs to be criteria and guidelines and also identify who is in charge of keeping it up and going. Fewins questioned if any other community colleges have a similar recognition. Board members will further research the topic and bring ideas back to the next meeting for discussion.

REPORTS:

- **ADMINISTRATION** - The Board reviewed and heard updates from Academic Affairs, Student Services, Foundation, Finance and Operations, and the Interim President.

EXECUTIVE SESSION: A motion was made by Bartelsmeyer, seconded by Fewins, and carried by unanimous vote to adjourn to executive session for fifteen minutes beginning at 7:00 pm for the purpose of discussing non-elected personnel as it relates to discussion of identifiable information of non-elected personnel with no action expected to follow. The board invited Sonia Gugnani and Sara Sutton to join.

OPEN SESSION: A motion was made by Bartelsmeyer, seconded by Fewins, and carried by unanimous vote to return to open session at 7:15 pm.

DISCUSSION ITEMS

A. PURCHASE ORDER BOARD APPROVAL

There has been conversation regarding discontinuation or presentation and approval of the purchase orders (POs) each month and replacement of the PO list with a listing of checks issued during the month. According to FSCC's purchasing policy, board approval is only required for any purchase \$20,000 and greater. This will allow for prompt payment to FSCC's vendors, rather than payment being delayed due to approval of POs at monthly board meetings. Any purchases \$20,000 or greater will continue to be presented for approval during the board meeting.

B. TRUSTEE EMERITUS

C. CIVILITY POLICY: Following is a policy regarding expectations of civil behavior and interactions. This policy will be presented for approval at the next Board meeting.

CIVILITY POLICY

Introduction

Civility is a fundamental expectation at Fort Scott Community College (FSCC). It is defined as behavior that demonstrates consistent respect for others, including an effort to understand differences. A culture of civility fosters an environment where all individuals feel valued, safe, and supported in their academic and professional pursuits.

FSCC is committed to upholding every person's inherent worth and dignity, promoting mutual respect among students, faculty, staff, and visitors. All members of the FSCC community are expected to conduct themselves in a manner that reflects respect, professionalism, and a commitment to constructive engagement at all times.

Freedom of Expression and Learning Environment

FSCC supports freedom of expression for all faculty, staff, and students. However, this freedom carries responsibilities—particularly the responsibility to maintain a learning and working environment conducive to productive discourse, academic integrity, and personal growth.

While diverse perspectives and open dialogue are encouraged, disruptive behaviors that interfere with learning, professional responsibilities, or campus harmony will not be tolerated. Any individual engaging in such behaviors may be subject to disciplinary action, including suspension from school or termination of employment.

Prohibited Behaviors

To promote a culture of respect and inclusivity, FSCC prohibits the following uncivil behaviors:

- Profanity
- Name-calling (e.g., using derogatory labels ending in *-ist* or *-phobe*, or prefacing criticisms with *anti-* or other inflammatory terms)
- Derogatory terms (e.g., *stupid*, *ignorant*, *incompetent*, etc.)
- Shouting
- Insulting body language (e.g., eye-rolling, dismissive gestures)
- Insulting tone of voice (e.g., condescending speech, baby talk, speaking “down” to someone)
- Ridicule or open hostility
- Biting sarcasm or gaslighting
- Disruptive, discourteous, or insubordinate conduct
- Social media or discussion board posts that are rude, disrespectful, offensive, or inappropriate
- Violation of netiquette (online communication etiquette) in virtual learning spaces

FSCC expects all students, faculty, and staff to be mindful of their words, actions, and interactions, whether in person, in writing, or online.

Addressing Civility Concerns

FSCC encourages college community members to address civility concerns directly with one another whenever possible, fostering open dialogue and conflict resolution. However, when direct resolution is not feasible or comfortable, concerns should be reported as follows:

- Report faculty and staff concerns to the Director of Human Resources or the appropriate Vice President.

- Report student concerns to the Dean of Student Affairs.

Consequences for Uncivil Behavior

FSCC is committed to maintaining a respectful and professional environment. As such:

- Threats of physical violence or highly disruptive behaviors (such as loud arguments that interfere with the learning environment) will result in immediate intervention by campus authorities and/or local law enforcement.
- Students, faculty, or staff engaging in repeated or severe violations of the civility policy will face disciplinary action in accordance with the following:
 - The Student Code of Conduct (outlined in the FSCC Student Handbook).
 - The Employee Handbook and Board Policy (for faculty and staff concerns).

Conclusion

Civility is not just an expectation but a shared responsibility at FSCC. By committing to respect, understanding, and professionalism, we ensure that our college remains a safe, inclusive, and intellectually vibrant place for all members of the FSCC community.

Fort Scott Community College remains dedicated to fostering a culture where individuals feel valued, heard, and respected in academic settings and beyond.

D. RECRUITMENT CODE OF CONDUCT: Following is a policy regarding expectations for recruitment prospective of potential students by Fort Scott Community College employees. This policy will be presented for approval at the next board meeting.

RECRUITMENT CODE OF CONDUCT

Introduction

Recruitment professionals are critical in helping students make informed decisions about their academic futures. At Fort Scott Community College (FSCC), our recruitment practices are built on the principles of honesty, integrity, transparency, equity, and respect for students, families, and fellow education professionals.

This Recruitment Code of Conduct establishes clear ethical standards that guide our recruitment staff in serving students while upholding the integrity of FSCC. By following these principles, we aim to build trust, promote student success, and ensure that every student's dignity, worth, and potential are recognized throughout their college journey.

This Code of Conduct aligns with best practices outlined by the National Association of College Admission Counseling (NACAC). It is a supporting document for compliance with Higher Learning Commission (HLC) Policy CRRT.C.10.0100 FDCR.A.20.020 on Recruiting, Admissions, and Related Institutional Practices.

Core Values

Education

We are committed to educating students, their families, and the community about the transition to college, available academic opportunities, and the support services that ensure student success.

Access and Equity

FSCC actively works to expand access to higher education and eliminate barriers based on race, ethnicity, religion, sex, gender identity, sexual orientation, socioeconomic status, age, political affiliation, national origin, or disability.

Professionalism

Ethical behavior is the foundation of our recruitment efforts. We prioritize integrity, fairness, and respect when interacting with prospective students.

Collaboration

We work alongside faculty, staff, community members, and educational partners to advocate for students and their best interests.

Trust

Our recruitment practices are transparent and based on honesty, ensuring that students and families receive accurate and reliable information.

Social Responsibility

As an institution of higher learning, we are committed to serving our communities, supporting student aspirations, and fostering a culture of lifelong learning.

Guiding Principles and Rationale

1. Sharing of Accurate Information

FSCC recruitment staff must provide factual, comprehensive, and up-to-date information to help students make informed decisions. This includes:

- Accurately representing FSCC's academic programs, student services, and campus opportunities.
- Providing clear and truthful information regarding enrollment requirements, degree pathways, and transfer options.
- Ensuring that alums, representatives, third-party contractors, and other recruitment partners follow the same ethical guidelines.

2. Transparency in Marketing Materials

All FSCC marketing materials will present accurate and detailed information regarding:

- Enrollment deadlines, scholarships, financial aid opportunities, and application requirements.
- Academic programs, career pathways, and student life opportunities.
- Tuition, fees, and financial aid options should be in a way that prospective students can easily understand.
- Significant changes to institutional policies due to extraordinary circumstances (e.g., pandemics, state or federal regulatory updates).

Additionally, FSCC marketing materials will NOT:

- Use high-pressure tactics to induce immediate enrollment.
- Offer incentives (such as prizes, free goods, or waived fees) to encourage enrollment.
- Make misleading claims about guaranteed employment or earnings post-graduation.
- Use translations that misrepresent or omit critical details from the original content.

3. Fair and Impartial Recruitment Practices

To ensure that students receive honest, unbiased guidance, FSCC recruitment staff will:

- Treat all students fairly, respectfully, and professionally, free from high-pressure or coercive recruitment tactics.
- Limit unsolicited recruitment contacts (e.g., phone calls, emails, in-person visits) to no more than three per day and no more than two per month for military-connected individuals.
- Ensure that FSCC recruitment personnel and contractors are well-trained, properly credentialed, and adhere to the institution's ethical standards.
- Oversee third-party contractors involved in recruitment to ensure they meet the same qualifications, training, and ethical standards as FSCC staff.
- Avoid conflicts of interest, including:
 - Compensation based on the number of students recruited or enrolled.
 - Offering or accepting incentives, gifts, or monetary rewards in exchange for enrollment decisions.
- Ensure that students complete their own enrollment documentation without unauthorized staff intervention.
- Safeguard student information and maintain confidentiality in accordance with FSCC policies and federal regulations.

4. Commitment to Confidentiality and Data Protection

FSCC is committed to protecting student privacy. All recruitment professionals must:

- Handle student records and personal information with confidentiality.
- Follow FERPA (Family Educational Rights and Privacy Act) guidelines.

- NOT share a student's directory information or financial aid details without written consent unless required by law or a public records request.

Implementation and Oversight

The FSCC Admissions Office will monitor compliance with this Recruitment Code of Conduct. Any concerns or violations should be reported to the FSCC administration. Regular training and professional development will be provided to ensure that all recruitment staff and partners are fully aware of and adhere to these ethical guidelines.

Fort Scott Community College is committed to ethical recruitment practices that empower students to make informed choices about their futures. By upholding the values of honesty, integrity, transparency, and student-centered decision-making, FSCC ensures that all students receive the guidance and support they need to succeed.

This Recruitment Code of Conduct reflects our dedication to fairness, professionalism, and social responsibility. It ensures that our recruitment efforts align with our institutional mission and the best interests of our students and communities.

E. DISPOSITION OF SURPLUS PROPERTY: Following is a policy regarding disposal of property owned by Fort Scott Community College. This policy will be presented for approval at the next board meeting.

DISPOSITION OF SURPLUS PROPERTY

This policy governs the disposal of surplus property in a manner that ensures accountability, transparency, and the responsible use of college resources. *Surplus Property* refers to FSCC-owned assets and inventory, including but not limited to equipment, furniture, supplies, and other personal property that is obsolete, damaged, worn out, or no longer needed by any department within the College. Surplus property does not include real estate. The disposition of college-owned real estate requires prior authorization by an affirmative vote of at least two-thirds of the Board of Trustees.

The President or designee shall be authorized to dispose of surplus property. Before designating the property as surplus, reasonable efforts shall be made to redistribute the property for use within the College. The disposition of surplus property should emphasize stewardship of public assets, support the College's mission, promote sustainability, ensure fairness and transparency, and comply with all applicable laws and regulations.

Surplus property may be disposed of through the following methods:

1. Trade-in;
2. Advertised public sale (by public auction, fixed price, negotiated price, or informal bidding);
3. Donation to educational institutions or nonprofit organizations;
4. Recycling or salvage;
5. Trash (as a last resort after all other methods have been considered).

When determining the disposal method, the President, or designee, shall make every effort to maximize the value and benefit to the College while considering associated costs. Disposal by trash shall be used only when all other alternatives have been exhausted. Before disposal, all FSCC logos and insignia must be removed from the property.

A detailed list of surplus property disposed of under this provision shall be included in the consent agenda for review at the next Board of Trustees meeting.

This policy ensures timely and responsible management of surplus property while maintaining compliance with Kansas Statute 75-6602 regarding the disposal of public property.

F. REVIEW OF MISSION STATEMENT, CORE VALUES, AND VISION STATEMENT

The Board of Trustees of Fort Scott Community College will review the institution's Mission Statement, Core Values, and Vision to ensure they continue to align with the college's strategic goals, evolving community needs, and educational commitments. This review serves as an opportunity to reaffirm FSCC's dedication to academic excellence, student success, workforce development, and community engagement.

Mission Statement

Fort Scott Community College is an institution of higher learning with a long history of culture and diversity that provides affordable academic, technical, and occupational programs to meet student needs while fostering a mutually supportive relationship between the college and its communities.

Core Values

- Personal success and growth: Empower students, community, and employees to attain their goals by providing opportunities in a supportive, safe environment.
- Integrity and Respect: A focus on communication, relationships and experiences that value students, community, and employees; fostering a safe environment for all.
- Diversity and Inclusion: Operate as one college in purpose, plans, priorities, and processes.
- Stewardship: The careful, transparent, and responsible management of all resources under our care, including monetary, physical, and human resources

Vision

FSCC's vision for the future is to support "Students First, Community Always" through a central focus on teaching and learning; advancing strong, innovative programs and departments; maximizing and leveraging opportunities; initiating efficient and effective processes; and developing the region's workforce.

ACTION ITEMS

A. SCHEDULED POLICY REVIEW AND APPROVAL

BACKGROUND: In an effort to institute a systematic and formalized approach for ongoing policy review, existing policies requiring minimal or no revision will be presented in this portion of the agenda in a scheduled annual rotation. This schedule will allow each policy to be examined at least once a year. The policies below follow:

- Safety and Fire Hazard Responsibilities
- Employee Benefits
- Kansas Public Employees Retirement System
- Supervision and Sponsorship of Student Activities
- Activity Passes
- Worker Compensation
- Professional Organizations
- Hazardous Waste Disposal

RECOMMENDATION: It is recommended that the Board approve the following policies as presented:

- Safety and Fire Hazard Responsibilities
- Employee Benefits
- Kansas Public Employees Retirement System
- Supervision and Sponsorship of Student Activities
- Activity Passes
- Worker Compensation
- Professional Organizations
- Hazardous Waste Disposal

BOARD ACTION: MOTION ____ SECOND ____ VOTE ____

DISCUSSION:

VOTE: _____ Bailey _____ Bartelsmeyer _____ Fewins

SAFETY AND FIRE HAZARD RESPONSIBILITIES

The Board and its administrative staff will make every effort to provide a safe environment for student recreation and study and for all employees to fulfill their employment duties and responsibilities. The Board will cooperate with local government officials, emergency preparedness authorities, and other related state agencies to ensure that adequate warning systems are available for use at the college in the event of fire or other natural disasters. Employees shall be constantly on alert for potential safety and fire hazards. All buildings, furnaces, boilers, bleachers and lighting fixtures will be periodically inspected by the Vice President of Finance and Operations and maintenance personnel to ensure maximum safety for students, employees, and patrons and to meet minimum state and federal standards. If, upon proper investigation, defects are found to exist, the individual conducting the investigation will immediately inform the Vice President of Finance and Operations, director of maintenance, or immediate supervisor in writing. The defect will be removed or repaired as soon as possible. Defects which require expenditure of money will be reported to the Board in compliance with rules regulating such circumstances. Any defects not immediately removed, repaired or otherwise eliminated will be blocked off with fences or other restraining devices.

EMPLOYEE BENEFITS

Full time employees enjoy benefits including vacation (not available to professional/instructional employees.) Other benefits offered include sick leave accrual, health insurance coverage, participation in the Kansas Public Employees Retirement System, and Internal Revenue Code Section 125 Cafeteria Salary Reduction Plan.

KANSAS PUBLIC EMPLOYEES RETIREMENT SYSTEM

FSCC contracted employees who work 630 hours or more are members of the Kansas Public Employees Retirement System (KPERS). An employee becomes a fully participating member immediately upon contracted employment. The employee immediately begins contributing six percent (6% of gross pay) through payroll deductions. The State of Kansas contributes a percentage set by law each year. Since the third quarter of 1984, employee contributions have been sheltered from federal income tax. All members of KPERS also participate in the federal social security program. Life insurance and service-connected death benefits are provided to all eligible employees through KPERS. In the event of an employee's death, a lump sum payment will be paid to the designated beneficiaries. If the employee's death is service-connected, payment is subject to the terms defined by KPERS. KPERS also administers long term total disability benefits for FSCC employees. Disability means total and permanent disability after 180 consecutive workdays missed (6 months) regardless of cause. The disability may be either physical or mental (two-year limitation on mental). Benefits are subject to coordination with Social Security, Worker Compensation and other employer-provided disability benefits.

SUPERVISION AND SPONSORSHIP OF STUDENT ACTIVITIES

Cooperation among all employees is necessary to provide adequate supervision and sponsorship of student activities in the college. Club and student organization supervision and sponsorship duties may be selected by the instructors who may be compensated for their services in accordance with the rate established by the Board. In order to supplement a desirable educational program, the President shall establish out-of-class assignments and compensations when they extend beyond the regular school day or the time that classes are in session.

ACTIVITY PASSES

Activity passes for full-time and immediate family members are available for college-sponsored events. Employees are urged to show interest in and attend as many college functions as possible. Employee attendance promotes enthusiasm for the overall college program.

WORKER COMPENSATION

The college participates in worker compensation as required by current statute. Under the Worker Compensation Law, employees are entitled to certain benefits if they are injured on the job or suffer from an occupational illness. If an employee sustains an injury or contracts a disease believed to be related to employment, the employee must report it to the supervisor immediately. A report on the injury or disease must be completed in the Human Resource Office. Combined worker compensation and salary benefits under allowed sick leave or other available leave shall not exceed the employee's regular salary. To ensure benefits, claim forms must be filed in a timely manner.

PROFESSIONAL ORGANIZATIONS

The FS-CAPE organization is a professional association recognized by the Board of Trustees as the official agency representing the full time and part time instructional staff in its contract association with the Board of Trustees. The FS-CAPE is recognized as the bargaining agent for the instructional staff, representing them in all contract negotiations and other contract matters. The Kansas Public Employer-Employee Relations Act was passed to promote improvement in employer-employee relations in the public agencies in Kansas. This law recognizes the right of public employees to join or refrain from joining organizations as they wish.

HAZARDOUS WASTE DISPOSAL

Hazardous wastes include, but are not limited to, wastes that are flammable, corrosive, infectious, highly reactive, or toxic. All hazardous wastes must be properly labeled and stored appropriately until they can be disposed of properly. Disposal of hazardous wastes shall be in accordance with state and federal laws, rules, and regulations. They shall be placed in an appropriate container affixed with a hazardous waste label that lists the specific contents. Unlabeled containers whose contents are undetermined which may contain hazardous substances shall not be put in trash containers.

B. CONSIDERATION OF VECTOR TRAINING SOLUTION

BACKGROUND: Following is a proposal from Vector Solutions offering a variety of training solutions. Option 4 is a campus wide compliance solution including 259 courses to meet faculty, staff, and student needs. Acceptance of the proposal would provide access to Vector’s training libraries for three years for a total of \$7700 per year.

RECOMMENDATION: It is recommended that the Board approve the three-year Option 4 quote from Vector for an annual total of \$7,700.

Skills for Building Community

Student

Vector Solutions' new **Skills for Building Community** library supports higher education institutions in teaching skills that foster community on their campus.

COURSES INCLUDE

Student Courses

The college campus is filled with students who have different experiences and skills. Designed for college students, these courses are meant to build valuable skills:

Building a Welcoming Community for Students

This course is designed as an introduction to help students navigate the college community. Students will reflect on their own experiences and values as they learn communication skills to help create an institutional culture that is more productive, more innovative, and more engaging for everyone.

Fostering Community for Students

This course is designed as an introduction for students to navigate fostering connection with their peers. This course introduces the concept and importance of community, provides tangible methods of supporting peers and builds on a foundation of communication skills started in **Building a Welcoming Community for Students**. This course asks students to be open and willing to reflect on their own experiences as they learn more skills to help foster a welcoming on campus.

C. APPROVAL OF 2025-26 ACADEMIC CALENDAR AND 2024-25 ACADEMIC CALENDAR REVISION

BACKGROUND: Following is a calendar for the 2025-26 academic year as proposed by the calendar committee. Additionally, a revised version of the 2024-25 academic calendar is included for approval. The revision reflects weekly hours of operation in June, 2025 being consistent with operating hours represented in the 2025-26 calendar for July, 2025, which allows for a consistent summer schedule through the summer.

RECOMMENDATION: It is recommended that the Board approve the 2025-26 academic calendar as proposed and the 2024-25 academic calendar as revised.

It went great!!! We had a pretty good turn out, the show was amazing, and the partnership with FSCC was flawless! We appreciate you graciously hosting us, your time and effort helping organize everyone at the college, Josh was a HUGE help before and especially the day of the event, and Matt too for providing extra hands to do some heavy lifting. The whole thing went well and we definitely raised community awareness about who Core is and what we do, not to mention some much needed funds! Thank you so much for you role in making this happen. We are so grateful!

Miami County Campus

January 2025

- Willis Miller, the new MCC welding instructor, started teaching his first course on January 6th. His enthusiasm for welding is contagious. We added several new students from the community to the evening class this semester. This was mostly due to him bumping into people at the grocery store or old students calling up friends to come meet up at the college for a night of welding.
- Heather Simons, 7/8th Grade Math at Paola Middle School/ Kansas Teacher of the Year (KTOY) team is organizing a visit to Paola and one of the members is a high school criminal justice pathway teacher from Emporia. She asked for some resources and material on our program. I invited the team to stop by and meet our Criminal Justice students and instructor if they have time, in addition to sending her some additional information about our program.
- We continue communication with the Chamber offices, high schools, and local libraries to help promote regular and new/late start classes at the MCC.
- Continue to advise and enroll students for the Miami County Campus, Online, Environmental Water Technology and pre-nursing.
- Begin reviewing the fall schedule and prepare for changes for the Fall 2025 term.
- Continue meeting with the Surface Water sub-committee for the Oklahoma State University grant. Assisting with budgets and ideas for development and instruction. Grant was submitted at the end of January.
- IT was here 01/24/25 installing a new projector system in room 103 and work on other help desk ticket issues at the MCC. Jason returned on 01/27/25 to finish up room 103 and made it available for students that evening.
- Paul Crocker, FSCC EWT adjunct instructor and Senior Reliability Engineer at ReliabilityX reached out to us about the possibility of a partnership with ReliabilityX and some of the programs they offer for training. Sonia, Joe and I will be meeting with him via ZOOM on 02/04/25.
- Start search for new adjunct faculty to widen the pool of faculty available at the MCC and in the EWT program.

FSCC Student Services Update February 17, 2025

Dean of Students: Vanessa Poyner

Fort Scott Community College
Board Meeting
February 17, 2025

Missy Scott - Vice President of Finance and Operations

Business Office

February payroll was completed using the new system, Software Unlimited. SU's employee portal **WebLink** is where employees can enter leave requests, view 1095 forms, view check history, view leave, view W-2s, and view or edit personal information. The business office is offering short training sessions to employees to help with the transition.

W-2s, 1099s, 1098s have been completed and sent. The corresponding reports have been submitted.

Student Billing committee met and developed a timeline for the spring semester and once academic calendar is finalized, the committee will work on the Fall timeline.

Financial Aid

Bourbon County Waivers for the spring semester have been applied to student accounts. CTE waivers will be calculated and applied next week.

Plant/Maintenance

Maintenance has rebuilt two pumps for the boiler in Bailey Hall. The college saved approximately \$3,500 by rebuilding rather than purchasing two new pumps.

A majority of Burke Street building contents have been moved to main campus. New owners take possession as of February 15th.

The maintenance team has been working on completing the interior of the softball building starting with electrical, insulation, and lighting.

We have started our search for replacement of Director of Plant/Maintenance and plan to start interviews soon.

Information Technology

KnowBe4 Security Awareness module has been implemented and the first two training sessions have been assigned to employees. Additionally, a new Phishing icon is available within Outlook email which allows the user to click the icon when an email looks suspicious. It will respond with either a message indicating if it was a test or if it was not a test the email will be researched.

IT continues to work on installing wifi for the softball fields as it is necessary for tracking stats.
