Please describe the alleged violation in chronological order and identify any supporting documents:

March 9, 2026-5:08 pm I receive an phone call from a citizen that he had gotten information from a reliable source that the county commissioners are holding an executive session to discuss taking back the hospital building located at [401 Woodland Hills BLVD, Ft Scott](#). 5:30pm at the county commission meeting there is an executive session. The 5 commissioners, City Manager Brad Matkin, County Counselor via phone. Motion was made under KSA 75-4319(b)(2) but no topic is given. Commissioner Milburn-Kee voted no, the other 4 voted yes. Why did she vote no? Could it be that she already let the cat out of the bag in telling private citizens the topic of the meeting. March 16th, 2026, 12:38pm- Former Commissioner Clifton Beth messages me to tell me the commission is trying to take the hospital back. He would only know this from the executive session held on the 9th. 1:08pm- I did message Commissioner Motley to let him know that Beth had contacted me and what Beth communicated to me. Excerpt from the minutes on March 9, 2026 Commission takes a five-minute recess at 6:56 PM Executive Session K.S.A. 75-4319 (b)(2) - Gregg Motley Motion: Commissioner Tran moved to go into executive session per KSA 75-4319(b)(2) for attorney-client consultation with the five commissioners, City Manager Brad Matkin, and County Counselor Bob Johnson via telephone for 20 minutes to return at 7:01 PM. Commissioner Allen seconded. Commissioner Milburn-Kee voted no, and the remaining commissioners voted yes. Motion: Commissioner Tran moved to return to regular session without action at 7:22 PM. Commissioner Milburn-Kee seconded. Motion carried unanimously. I do have the message sent to me by former Commissioner Beth but I cannot get it copied or downloaded.

What remedy would you like to see to resolve this matter:

Other

Desired other remedy:

I would desire that you call for the ouster of Commissioner Milburn-Kee as it seems most likely that she is the one sharing executive session information to private citizens.
