RE: Resignation as Bourbon County Clerk

Dear Governor Kelly,

It is with deep respect, gratitude but also a heavy heart that I submit my resignation from my position as Bourbon County Clerk effective August 31, 2026.

For the past 24 years, I have had the privilege of serving the Bourbon County community, working alongside dedicated colleagues and community members in various roles in municipal government to make a meaningful difference.

After much reflection, I have decided to step down due to the current culture and leadership within this organization. While this has been a difficult decision, I believe it is the right step for me personally and professionally.

Thank you for the opportunity to serve under your leadership.
